Mr. Neil Evans

Dear Neil:

I have enclosed the Post General Report due December 5, 1996.

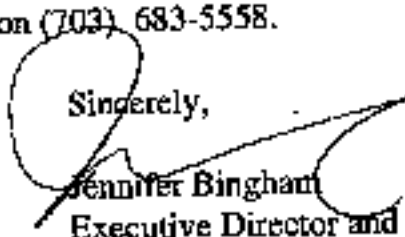

This Report includes the forms "undeposited earmarked contributions in the form of original contributor checks." I hope that this format is acceptable. I duplicated the format EMILY's List and WISH List use (I have enclosed a copy for your reference.) in reporting their bundled checks.

Also, I have enclosed a "memo Schedule B" form based on EMILY's List form to report in-kind contributions that have been incurred but payment has not been made as of closing date for this report.

Lastly, the "Cash on Hand at Beginning of Reporting Period" does not equal the "Cash on Hand at Close of Reporting Period" for the previous report filed. It does, however equal the amount on the amended report. I have not enclosed this amended report or any of the others (April 15, 1996 Quarterly; July 15, 1996 Quarterly; and October 15, 1996 Quarterly) because I am still working on the bundle checks portion of the Reports. I can send over the Reports not including the bundled checks if you prefer, or I can wait until next week when all the reports are completed in full and send them all at that point. Please let me know which you prefer.

Thank you for all your help. Please feel free to contact me if you have any questions. I can be reached at work on (703) 683-5558.
